Please print this flyer and place it on telephone poles in your neighborhood.

I wanted to give a special thank you to you for all the fabulous work that you did for us at MGB this year. As always, you were amazing! Not only were you a great host, but also you were so great in your employee interviews. All the bits filmed at MGB were just awesome. We are getting a ton of great feedback about the program. You have a unique gift to bring out the best in people in your interviews. And you can make the sourest of people break into a laugh. Thank you for all you bring to Microsoft. It is a pleasure working with you and I can only hope that we will have the chance to work with you many more times.

Rodney Sherwood was the hit of our event! His combination of comedy and fun coupled with his uncanny ability to get the crowd involved are truly amazing. We have hired many people in the past, but will absolutely stay with Rodney!

-Norm Marshall & Associates

I can't stress enough that the Spotlight and Microsoft Television highlights program would not be NEAR as good if it weren't for you. Your personality, presence, and flexibility take the show to the next level of professionalism. AND we can't overlook just how much fun you are. THANK YOU!

-Optimobius

Rodney Sherwood is fantastic! He brings life and energy to all the events he has worked on. He has always delivered for us flawlessly. Each of our clients has asked, 'Can we get him for next year's meeting?' Rodney takes the time to learn about each of our clients, goals, objectives and corporate culture and then crafts that info along with his brilliant humor, quick wit and outstanding improv skills into an engaging and entertaining emcee, host or party personality experience.

-Premier Productions

Your hosting skills added fun and excitement to the evening. We also appreciated your flexibility in making the event successful and fun!

-United Way

Rodney recently hosted, The Seattle Show. Since that night I have gotten nothing but positive feedback on his spontaneous, and humorous style. Everyone loved him! The plus for me was that he was very flexible, easy going, and fun to work with!

-Publicis

You are a STAR! The project came out great! Thank you for your time and all the laughs!
